And my heart hit a problem, in the early hours,
So I stopped it dead for a beat or two.

But I cut some cord, and I shouldn't have done it,
And it won't forgive me after all these years

So I sent it to a place in the middle of nowhere
With a big black horse and a cherry tree.

Now it won't come back, 'cause it's oh so happy
And now I've got a hole for the world to see

Chorus:

And it said no, no, no, no-no-no

Gonna see my baby again
Gonna be with some of my friends
Maybe I'll feel better again On Blue Bayou
Saving nickles saving dimes
Working til the sun don't shine
Looking forward to happier times On Blue Bayou

The silver moon And the evening tide
Oh some sweet day Gonna take away
This hurting inside

Chain of Fools

For five long years
I thought you were my man
But I found out, I'm just a link in your chain
Oh, you got me where you want me
I ain't nothin but your fool
Ya treated me mean
Oh you treated me cruel

Chain, chain, chain
Chain, chain, chain
Chain of fools

Every chain, has got a weak link
I might be weak child, but I'll give you strength
Oh, babe
Woo, woo, woo, woo

You told me to leave you alone
(Ooo, ooo, ooo, ooo)
My father said 'Come on home'
(Ooo, ooo, ooo, ooo)
My doctor said 'Take it easy'
(Ooo, ooo, ooo, ooo)
Oh but your lovin is just too strong
(Ooo, ooo, ooo, ooo)
I'm added to your
Chain, chain, chain, etc.
Chain of fools

Oh, one of these mornings
The chain is gonna break
But up until the day
I'm gonna take all I can take, oh babe

Chain, chain, chain
Chain, chain, chain
Chain of fools...

Do It Again

Dm

In the mornin' you go gunnin' for the man who stole your water

Dm

And you fire till he's done in but they catch you at the border

Dm

And the mourners are all sanguine as they drag you by your feet

Dm

But the hangman isn't hangin' so they put you on the street

You go ^{Gm7} back, ^{Am7} Jack, ^{Bbmaj7} do it ^{Am7} again, ^{Dm} wheel turnin' 'round and 'round

You go ^{Gm7} back, ^{Am7} Jack, ^{Bbmaj7} do it ^{Bm7} again, ^{Dm} | | ^{Am7} (II)

Dm

Well you know she's no high climber, then you find your only friend

In a room with your two timer, but you're sure you're near the end

Then you love a little wild one, and she brings you only sorrow
All the time you know she's smilin', you'll be on your knees tomorrow

Doctor My Eyes

Doctor my eyes have seen the years
And the slow parade of fears without crying
Now I want to understand
I have done all that I could
To see the evil and the good without hiding
You must help me if you can.

Doctor my eyes and tell me what is wrong
Was I unwi---se,
To leave them open for so long.

As I've wondered through this world
As each moment has unfurled I lay waiting
To awaken from these dreams
People go just where they will
I never noticed them until I got this feeling
That it's later than it seems.

Doctor my eyes and tell me what you see
I hear their cri---es,
Just say if it's too late for me.

Solo over verse/chorus

As each moment has unfurled I lay waiting
To awaken from these dreams
People go just where they will
I never noticed them until I got this feeling
That it's later than it seems.

Doctor my eyes that cannot see the sky
Is this the pri--ce,
For having learned how not to cry - ending

I thought love was more or less a givin' thing
It seems the more I gave the less I got
what's the use in tryin' All you get is pain

INTRO:

Gm7 Am7 Gm7 Am7 (repeat)

well it's a marvelous night for a moondance with the
stars up a-bove in your eyes
a fan-tabulous night to make romance 'neath the
cover of october skies

all the leaves on the trees are falling to the
sound of the breezes that blow
yeah i'm trying to place to the calling of your
heartstrings that play soft and low

you know the night's magic seems to
whisper and hush and all the
soft moonlight seems to shine

on your blush

can I just have one more moondance with you

my love

can I just make some more romance with you

my love

VERSE 2:

well I wanna make love to you tonight
I can't wait til the morning has come

and I know now the time is just right
and straight into my arms you will run

when you come my heart will be waiting
to be sure that you're never alone

there and then all my dreams will come true dear
there and then I will make you my own

and every time I touch you
you just tremble in-side
yet I know how much you want me
that you can't hide
can I just have one more moon-dance with
you my love
can I just make some more ro-mance with
you my love

Orange Colored Sky

I was walking along, minding my business,
when out of the orange colored sky,
Flash, bam, alacazam, wonderful you came by.

I was humming a tune, drinking in sunshine,
when out of that orange colored view
wham, bam, alacazam, I got a look at you.

One look and I yelled timber
watch out for flying glass.
Cause the ceiling fell in and the bottom fell out
I went into a spin and I started to shout
I've been hit, This is it, this is it, this is it.

I was walking along minding my business
when love came and hit me in the eye
Flash, bam, alacazam,
Out of the orange colored sky

well, one look and I yelled timber
watch out for flying glass.
Cause the ceiling fell in and the bottom fell out
I went into a spin and I started to shout
I've been hit, This is it, this is it, this is it.

I was walking along minding my business
when love came and hit me in the eye
Flash, bam, alacazam,
Out of the orange colored, purple stripes,
Pretty green polka-dot sky
Flash, bam, alacazam,
went the sky

Our Love Is Here to Stay

Intro vamp: F6 - Dm7 - Gm7 - C7 (break) - 4x

It's very clear our love is here to stay
Not for a year, but ever and a day.

The radio and the telephone.
And the movies that we know.
May just be passing fancies and in time may go.

But, oh my dear, our love is here to stay.
Together we're going a long, long way.

In time the rockies may crumble,
Gibraltar may tumble, they're only made of clay.
But our love is here to stay.

Secret Agent Man

Intro: guitar riff on Em

Verse:

Em Am Em
There's a man who leads a life of danger
Em B7
To everyone he meets he stays a stranger
Em Am
with every move he makes, another chance he takes
Em Am Em
Odds are he won't live to see tomorrow

Chorus:

C (or Am) B7 Em
They've given you a number and taken away your name

Beware of pretty faces that you find
A pretty face can hide an evil mind
Oh, be careful what you say, or you will give yourself away
Odds are you won't live to see tomorrow

Chorus

Intro

Solo - Verse and Chorus

Swinging on the Riviera one day
And then lying in a Bombay alley next day
Oh, don't you let the wrong words slip, while kissing
persuasive lips
Odds are you won't live to see tomorrow

Slip Sliding Away

slip sliding away...slip sliding away
You know the nearer your destination
the more you're slip sliding away

I know a man...he came from my home town
He wore his passion for his woman like a thorny crown
He said Dolores, I live in fear
My love for you is so overpowering
I'm afraid that I will disappear

slip sliding away...slip sliding away
You know the nearer your destination
the more you're slip sliding away

I know a woman...became a wife
These are the very words she uses to describe her life
She said a good day...and it ain't got no rain
She said a bad day is when I lie in the bed
and I think of things that might have been

slip sliding away...slip sliding away
You know the nearer your destination
the more you're slip sliding away

I know a father who had a son...
he longed to tell him all the reasons
for the things he'd done
He came a long way...just to explain...
kissed his boy as he lay sleepin'
and then he turned around and he headed home again

slip sliding away...slip sliding away
You know the nearer your destination
the more you're slip sliding away

God only knows...God makes His plan...
The information's unavailable to the mortal man...
we're workin' our jobs...collect our pay...
Believe we're gliding down a highway
in fact we're slip sliding away...

Stagger Lee

I was standing on the corner
when I heard my bulldog bark
He was barking at the two men who were
gambling in the dark.
It was Stagger Lee and Billy,
two men who gambled late,
Stagger Lee threw a 7, Billy swore that he threw 8.
Stagger Lee told Billy:
“I can’t let you go with that”.
“You have won all my money and my brand-new Stetson hat.”
Stagger Lee went home and he got his 44,
said I’m goin’ to that Bar room just to pay that debt I owe.

CHORUS

I said “Go Stagger Lee, Go Stagger Lee,
Go Stagger Lee, Go Stagger Lee,
I said Go Stagger Lee, I said go now...Stagger Lee

Superstition

Eb

Very superstitious, writing's on the wall
Very superstitious, ladders bout' to fall
Thirteen month old baby broke the lookin' glass
Seven years of bad luck, the good things in your past

when you believe in things that you don't understand
Then you suffer
Superstition ain't the way

Very superstitious, wash your face and hands
Rid me of the problem, do all that you can
Keep me in a daydream, keep me goin' strong
You don't wanna save me, sad is my song

when you believe in things you don't understand
Then you suffer
Superstition ain't the way, yeah, yeah

Very superstitious, nothin' more to say
Very superstitious, the devil's on his way
Thirteen month old baby broke the lookin' glass
Seven years of bad luck, good things in your past

when you believe in things that you don't understand
Then you suffer
Superstition ain't the way, no, no, no

Talkin' about you a man always ready to go
Now when it comes to movin', babe you're awful slow
And holler oh oh oh oh woah
And holler oh oh oh oh woah

But I got something for all you men to make you cry
And holler oh oh oh oh woah

Well Davey Crockett king of the wild frontier

Now Billy Joe the woman in red got him
Now that should teach ya about a w-o-m-a-n
And holler oh oh oh oh woah

Waiting In Vain

Gmaj7 Cmaj7
I don't wanna wait in vain for your love;
Gmaj7 Cmaj7
I don't wanna wait in vain for your love.
Gmaj7 Cmaj7
From the very first time I rest my eyes on you, girl,
Gmaj7 Cmaj7
My heart says follow t'rough.
Gmaj7 Cmaj7
But I know, now, that I'm way down on your line,
Gmaj7 Cmaj7
But the waitin' feel is fine:
Gmaj7 Cmaj7
So don't treat me like a puppet on a string,
Gmaj7 Cmaj7
'Cause I know I have to do my thing.
Gmaj7 Cmaj7
Don't talk to me as if you think I'm dumb;
Gmaj7 Cmaj7
I wanna know when you're gonna come - soon.
Gmaj7 Cmaj7
I don't wanna wait in vain for your love;
Gmaj7 Cmaj7
I don't wanna wait in vain for your love;
Gmaj7 Cmaj7
I don't wanna wait in vain for your love,

Gmaj7 Cmaj7
for I to knock some more. Ya see
Gmaj7 Cmaj7
in life I know there's lots of grief,
Gmaj7 Cmaj7
But your love is my relief:

Gmaj7 Cmaj7
Tears in my eyes burn - tears in my eyes burn
Gmaj7 Cmaj7
while I'm waiting - while I'm waiting for my turn, See
